

Year 12 Assessment Week

30th June to 8th July 2022

Dear Parents/Carers,

From 30th June to 8th July 2022, all students in Year 12 will sit assessment tasks in their subjects. It is vital that students revise thoroughly for these assessments, as the results will help inform us of any further intervention needs. Unless advised otherwise, all exams will take place in the Gym. Please use the information below to help students plan their revision. Should you have any queries, please do not hesitate to contact the Assistant Head of Sixth Form (Academic), Mrs Passalacqua at apassalacqua@sta.magnificat.org.uk

Yours sincerely,

Mr Andrew Madden

Vice Principal – Quality of Education

Subject:	Assessment topics:	How your son/daughter can prepare:
Accounting	Source Documents Identifying Errors and the correction thereof including use of the suspense account. Types of income and expenditure Treatment of accruals and prepayments Preparation of Cash book, cash book and bank reconciliations. Complete financial statements to include income statements and statements of financial position for sole traders and limited companies. Complete double entry for accounting, to include balancing off accounts. Sales Ledger and purchase ledgers and corresponding control accounts.	Students have access to the following resources on Teams: <ul style="list-style-type: none">• Schemes of work for all work covered in this academic year.• Past AQA exam papers and mark schemes.• Past paper 1 exam papers along with the specimen papers, mark scheme and examiners reports.• Revision guides for selected topics and full revision slides on Moodle.• Workbooks with accompanying PowerPoints on Teams• AQA resources – topic videos Use multiple choice questions to practise from Osbourne books and accounting coach website (also on Teams under Posts) Make revision notes or cue cards, especially to help learn layouts and formulas. Practise past exam papers in timed conditions CLEARLY showing ALL WORKINGS. Check against mark scheme to understand what the examiner required. Course content and information can be found on http://www.aqa.org.uk/subjects/accounting/as-and-a-level/accounting-7127
Applied Science (BTEC NAT EXT CERT)	Students will not sit any assessments as external examinations took place in May. Students will be assessed on the coursework element of the course as per the assessment grading and criteria for assignments for Mr Burke, Miss Gill and Miss Davies.	Coursework checklists
Art & Design (BTEC NAT FOUND DIP)	Completion of the Identity visual research, artist research and independent experimentation tasks to be completed by 8 th July 2022.	Students can prepare by: <ul style="list-style-type: none">• Using time wisely in lessons and study lessons to complete work.• Use the resources in the art room to help with each task.
Biology	Students will be assessed on all content from year 1 A level biology. This will cover content from the following topics: <ul style="list-style-type: none">• Biological molecules• Cells• Organisms exchange substances with their environment	<ul style="list-style-type: none">• Use class notes• Communicate effectively with the teachers during each lesson to ensure you have understood all content• Use Kerboodle to access the online textbook to support you.• Use physics and maths tutor to access free exam materials and past papers

	<ul style="list-style-type: none"> Genetic information, variation, and relationships between organisms 	<ul style="list-style-type: none"> Access the Team to review lesson and homework resources
Business (BTEC NAT EXT CERT)	<p>Students are completing Unit 3 – Personal and Business Finance.</p> <p>Students will sit an End of Topic test; content advised by staff.</p>	<p>Students to use the resources within the Files section of the TEAMS class.</p> <p>Within the Files tab will be access to Exercise Book, Revision Guide, Lesson PowerPoints, and Key Terms</p> <p>Use the specification and sample assessment material in conjunction with the mark scheme to prepare</p>
Chemistry	<p>Students will sit two 1hour 30 min assessments that will cover the topics listed below:</p> <p>Paper 1:</p> <p>3.1.1 Atomic structure</p> <p>3.1.2 Amount of substance</p> <p>3.1.3 Bonding</p> <p>3.1.4 Energetics</p> <p>3.1.6 Chemical equilibria, Le Chatelier's principle and Kc</p> <p>3.1.7 Oxidation, reduction and redox equations</p> <p>3.2.1 Periodicity</p> <p>3.2.2 Group 2, the alkaline earth metals</p> <p>3.2.3 Group 7(17), the halogens</p> <p>Paper 2:</p> <p>3.3.1 Introduction to organic chemistry</p> <p>3.3.2 Alkanes</p> <p>3.3.3 Halogenoalkanes</p> <p>3.3.4 Alkenes</p> <p>3.3.5 Alcohols</p> <p>3.3.6 Organic analysis</p> <p>3.1.2 Amount of substance</p> <p>3.1.3 Bonding</p> <p>3.1.4 Energetics</p> <p>3.1.6 Chemical equilibria, Le Chatelier's principle and Kc</p> <p>3.1.5 Kinetics</p>	<ul style="list-style-type: none"> Use the specification provided to look up exactly what parts of the topics to revise and highlight these. Practise past papers and record evaluate performance using logs provided. Use these to inform which topics to revise. Revise using class notes, handouts and textbook provided. Use chemsheets – quick check sheets to check understanding. Use exam question booklets to attempt PPOs and mark these. Read through textbook and answer questions at the end of chapters Use physicsandmathstutor website for more questions, use chemguide , etc. Watch machemguy YouTube videos on relevant topics Message the relevant teacher for help on teams/ find them at break or lunch time.
CPLD (Children's Play, Learning & Development) (BTEC NAT EXT CERT)	<p>Unit 3 – Learning Aim C deadline for (coursework)</p> <p>Unit 3 –Play and Learning</p>	<p>-class notes and booklet</p> <p>-PPT/ Teams</p> <p>-Textbook</p> <p>-checklist and teams</p>
Digital Media (CAM TECH EXT CERT)	<p>Unit 3 – Create a media product (coursework)</p>	<p>Resources on TEAMS</p> <p>Textbook</p>
Economics	<p>All year 1 microeconomics up to, and including, Monopoly. All year 1 macroeconomics.</p>	<p>CGP revision book, class notes, Econhelp.org, Econplustal.org. tutor2u</p>
English Language & Literature	<p>Full Paper 1 – 3hours</p> <p>Paris</p> <p>Lovely Bones</p>	<p>Reread and revise lesson notes to date.</p> <p>Go through Assessment Objectives and mark schemes on AQA website.</p>

	Duffy	
English Literature	Full Paper 2B – 3 hours Unseen Kite Runner / Doll's House / Blake Social Protest	Revisit lesson notes and teacher tips. Go through Assessment Objectives and mark schemes on AQA website.
Engineering (BTEC NAT EXT CERT)	Second Unit 1 mid-term assessment carried out in class. (JM) Unit 2 assignment B released 13/06/22 to be worked on through two weeks (LT)	Use all support resources found on Teams area, especially weblinks to support assignments; time should be allocated to these at home within the two week submission period.
Film Studies	Pan's Labyrinth and Wild Tales, Blade Runner and Casablanca and Sisters in Law. One question from a choice of two one each.	Use class notes, Textbooks, Moodle, and Teams to prepare.
Further Maths	2 Exams 1 – Core Pure – (1 Hour 40 Minutes) – All Year 1 Core Pure content 2 – Decision and Mechanics – (1 Hour 40 Minutes) – All Year 1 Decision and Mechanics content	<ul style="list-style-type: none"> • Booklets • Class notes • PPT and team resources • Textbooks • Online resources (e.g. Dr Frost, Madasmaths etc.)
Geography	Questions will focus on the three topics we have started to study. These are: Changing Places Water and Carbon Cycle Coasts It will also focus on 4, 6 and 20 mark responses. Time limit 2hrs 15 minutes.	Use previous feedback and the six marking criteria Ensure you use case studies Audio feedback/written from previous questions
History	2 x Papers 1 x America, 1x Britain. A choice of two essay questions on each.	Use textbooks, class notes, handouts, Moodle, and Teams to prepare.
HSC (Health & Social Care) (BTEC NAT EXT CERT)	Unit 14 Physiological Disorders LAD Deadline	<ul style="list-style-type: none"> • Booklets • Class notes • PPT and team resources • Textbooks • Checklists
Maths	Two Exams Paper 1 – Pure (2 Hours) - All year 1 pure content Paper 2 – Applied (1 Hour 15 minutes) All year 1 applied content	<ul style="list-style-type: none"> • Booklets • Class notes • PPT and team resources • Textbooks • Online resources (e.g. Dr Frost, Madasmaths etc.)
PE	2 Exams (60 marks/1 hour each) Paper 1 –Anatomy and Physiology Paper 2 – Skill Acquisition/Contemporary Studies	Refer to Personalised Checklist for each section Use of past exam questions – on OCR website Use of class notes and revision material Use of textbooks to support revision. TEAMS Resources
Performing Arts (CAM TECH FOUND DIP)	Unit 8	Students need to complete their portfolios for Unit 8
Physics	<ul style="list-style-type: none"> • Measurements and their errors • Particles and radiation • Waves 	<ul style="list-style-type: none"> • Access the Team to review lesson and homework resources

	<ul style="list-style-type: none"> • Mechanics and materials • Electricity 	<ul style="list-style-type: none"> • Use practice exam questions from websites such as Physics and Maths Tutor • Use notes provided in class • Communicate effectively with your teachers • Practice answering questions from the textbook and any resources suggested, making sure to always mark and correct your work
Psychology	Students will sit a two-hour paper comprising Social Influence, Attachment, Psychopathology and Biopsychology. Each section will be worth 24 marks and will contain a range of question styles including MCQs and essays.	Students can prepare by: <ul style="list-style-type: none"> • Creating a glossary of topic-specific terms using the class textbook • Using the Tutor2U website for specific exam preparation • Using the end of topic assessment questions in the class textbook • Completing the Exampro booklets they have been given • Revising Research Methods as this topic can come up in ANY section
Sociology	<p><u>Two 90 Minute papers</u></p> <p>Paper 1 Education with Research Methods</p> <p>Paper 2 Research Methods with Families</p>	<ul style="list-style-type: none"> • Class notes: handouts, booklets, and PowerPoints. • Past papers • Resources on One Drive/Teams • Using the Tutor2U website for specific exam preparation • Support available via Teams
Sport (BTEC NAT EXT CERT)	<p>Unit 3 Coursework</p> <p>No assessment</p>	<p>Use of specification and class material.</p> <p>Checklists</p> <p>Use of PLC.</p> <p>Textbooks, revision books/workbooks</p>
Theology	<p>Students will sit one Ethics paper (2 hours). They will have 4 questions and be able to choose which 3 they want to write essays on.</p> <p>Natural Law</p> <p>Sex Ethics</p> <p>Conscience</p> <p>Meta Ethics</p> <p>Situation Ethics</p> <p>Utilitarianism</p> <p>Kantian Ethics</p> <p>Euthanasia</p>	They can prepare by: <ul style="list-style-type: none"> • Using the exemplar essays provided • Ensuring that they know the exam technique by using the essay planning sheets: DISC PEREL RJ • Identifying all 'EBI' areas from essays done for areas that need to be improved • Re-doing previous essays using the feedback • Using the revision guide under 'files' on the class Team • Reviewing all the revision materials and A3 revision maps from under 'files' on Teams • Using the Essay / Revision Notes • Using the coloured Scholar sheets • Using the PLC's to check knowledge and attempt practice questions
