### Prayer and Catholic Life

This week Students from 6LA celebrated Form Mass with the theme of Equality for all, in light of Black History Month. 6LA based their Mass around the quote, 'Judge a person not by the colour of their skin, but the shape of their character'.

Year 9 completed lessons on Black History Month in school on Monday and Tuesday when they were not at Blackwell Court; they looked at statistics of Racism still in the UK to understand the need for Black History Month. Some Sixth Form Students created a Black History Month board with inspirational Black figures from history, and the present day, who we can learn from.

Tuesday was also the Feast Day of St Francis of Assisi, and these words from him resonate with this this theme:

Lord, make me an instrument of your peace:  
where there is hatred, let me sow love;  
where there is injury, pardon;  
where there is doubt, faith;  
where there is despair, hope;  
where there is darkness, light;  
where there is sadness, joy.

O divine Master, grant that I may not so much seek  
to be consoled as to console,  
to be understood as to understand,  
to be loved as to love.

For it is in giving that we receive,  
it is in pardoning that we are pardoned,  
and it is in dying that we are born to eternal life.

Amen.

### Sixth Form- Mr Foley/ Mrs Threadgold

This week's focus for Sixth form has been Giving Back. This has been a broad focus from all students completing the charity sponsored walk on Thursday , with some fantastic fancy dress on show! To all students signing up for their 1 hour a fortnight giving back slot. Giving back for both year 12 and 13 enables our students to live our Catholic ethos, helping and supporting others throughout the school and wider community. Activities include mentoring younger year groups, helping out in core subject classes, or supporting sporting activities and clubs at lunchtime or afterschool.

We have also been focusing on UCAS early entry students; ensuring they have quality applications, submitted on time to maximise their opportunities for success. over 30 year 13's are out Friday morning at an Apprenticeship event at Millenium Point. We are making sure our students have knowledge of all possible routes post 18.

However, Please note, standard UCAS applications are upon us very shortly. Our **internal deadline for UCAS submissions is the 18<sup>th</sup> of NOVEMBER**, so please discuss options, venues and courses with your year 13's. There are still lots of University Open day opportunities between now and end of November, so take a road trip and investigate some options!

The Sixth Form team,

### Year 9 - Mr. Reading

It is assessment week for Year 9 starting on Monday. Students have been given a timetable for their core subjects which they will be sitting in the Sports Hall. It is important that students know their seat number before entering the Sports Hall to minimise disruption. Students also need to ensure they bring the correct equipment for each assessment. On Thursday, Mr Madden went through the expectations of entering the exam hall. This includes entering and silently, prepared with the right equipment and not communicating with others.

I would like Year 9 students to approach these assessments positively and see them as an opportunity to demonstrate their knowledge and understanding. It will also allow teaching staff to put support in place if needed. Please note that assessments for options subjects will take place in lesson time in normal classrooms.

Mr Reading

### Year 10- Mrs Wright

Well done to all the Year 10 students who helped out at Open Evening this week, you were a credit to our year group and the school. The cast of Cinderella have been working really hard over the last few weeks and tickets finally go on sale today!! These can be purchased at break and lunch time from the finance office for just £3. Please come and support our Year 10 cast in their first show as a Year group.

This week I delivered an assembly in which I spoke about the necessity of basic good behaviour and the repercussions of poor behaviour. I'd like to take this opportunity to remind all students that poor behaviour will not be tolerated at St Augustine's, particularly when it is affecting other students.

Have a lovely weekend, Mrs Wright

**Head of Year Comments and Notices**

**Year 11 – Mr Mill**

It was wonderful to see so many Year 11 students at Open Evening supporting the school last night - parents were very complimentary of all the helpers. With Half-term only 2 weeks away students minds should be focusing on mock examinations. Students must be aware of exactly what papers they are sitting for these tests. If students are unsure, please contact teaching staff via teams to check and confirm what they should be revising.

We are back using class charts – well done to Harry B in 11RN for achieving the most points this week (+17) well done

Mr Mill
