

You will be delighted to know that from 30th November we will once again be offering a hot counter service at lunch times!

What's on offer....?

The grab and go options will be limited but you can expect to see two main dishes, pasta, jacket potatoes, baguettes and a dessert every day. Menus will be available next week.

COVID Safety....

Duty staff will be on hand to direct you through the counter in your individual year groups and back to your designated areas to eat your lunch. Queues will be socially distanced.

Sadly, we are not able to allow eating in the dining hall due to the current bubble system so meals will be served in takeaway containers and paper carry bags for you to take to your designated break areas.

When paying for meals we will be asking all students to sanitise before and after using the biometric scanner to ensure that there is no risk of contact contamination.

What you need to do now....

If you do not think you have had your biometrics taken please inform somebody in the pastoral office who can arrange this for you.

Please be aware that the pre-order service will no longer be available from 30th November and any selections from that day onwards will be cancelled and your Parentpay balance reimbursed accordingly.

If you wish to use the catering service, please make sure that you have funds in your Parentpay account before the 30th November.

We look forward to seeing you all soon!
