### Hair

In line with our traditional uniform, we promote traditional hair styles as well. Non-traditional styles will only be permitted with the Principal's permission. Please note, that if students dye their hair, only natural colours may be used. Boys and girls **are not permitted** to come into school with lines or patterns shaved into their hair or eye brows.

### Phone Pouch

Students are required to have a mandatory phone pouch during their time at St Augustine's. It is available for £7 at the start of Y9. The amount will be refundable at the end of Y11 upon its return in full working order.

Students are required to lock their mobile phone in the pouch every day whilst they are in school; the phone pouch must be carried with them, even if they leave their mobile phone at home. Regular school uniform and phone pouch checks are carried out in school across Y9, Y10 and Y11 throughout each term. ***Further information about the phone pouch will be communicated to students in September.***

## Illustrations of Girls' Uniform

Although we do not recommend a particular supplier, we can confirm that the following distributors stock uniform of this style: Marks & Spencer, Tesco, School Days and Orchard Clothing. Please be aware that shops that display stock as school wear or 'back to school' wear does not necessarily mean that it meets our school's guidelines.

***NB: The school skirt is available from Orchard Clothing, School Days or Gogna only. Please ensure you stipulate that it is for St Augustine's school, so that the badge is integral within the skirt. The school badge is located two inches off the centre of the skirt below the waistband.***

## Illustrations of Boys' Uniform

The images below are guides to the expectations that the school has regarding our school uniform.

Where students arrive at school wearing uniform that does not meet our uniform regulations, parents will be contacted with an expectation that the uniform is changed.

Students will often cite members of their peer group as wearing a style of non-regulation shoe as a reason for them to wear incorrect and sometimes unsafe footwear. However, we will challenge all students in terms of footwear. Student will be advised to change footwear that is not considered to be of school regulation immediately.
