MASON'S MISSION – Monday Workout

We are pleased to announce a collaboration with a local small business which was established during the last lockdown, focusing on fitness and nutrition. "Project You" is run by local fitness instructors Emma "Landy" Land and Laura Dangerfield aka Dangermouse alongside Emma Johnston who is a qualified nutritionist. They provide fun, fitness classes, live cooking streams and helpful Q & A sessions about all aspects of fitness & nutrition. Project You differs from other online fitness with the fun and laughter they have along the way with their online community which makes it easier to stay motivated. All the workouts are done live on Facebook and there is also an app with a video library and branded fitness merchandise. For more information visit: <https://www.fwlprojectyou.com/> Dangermouse will be joining us live on Monday 18th Jan alongside Ms Mason in Mason's Mission for our Monday motivational workout.

YEAR 11 – MR E MILL, HEAD OF YEAR – mi@sta.lourdesmac.org.uk

- I hope that everything ran smoothly at parents evening last night – if you have any concerns following your appointments, please do not hesitate to contact me: mi@sta.lourdesmac.org.uk
- Monday 1st March is an exciting day for all of our Year 11 students as they focus on their post-16 options. Many students are taking taster sessions for 'A' Level options. There are still a handful of students who need to sign up for this.
- Can students please ensure that their uniform is ready for the return to school. Our usual high standards will be expected.

YEAR 10 – MR N MURPHY, HEAD OF YEAR – murphyn@sta.lourdesmac.org.uk

MRS L ALLCOTT, ASSISTANT HEAD OF YEAR – allcottl@sta.lourdesmac.org.uk

- Well done to all the students who have been working hard during assessment week both onsite and online. If you have missed any assessments we will arrange for those to be taken at a later date.
- Next week students need to continue to work hard with their online learning and prepare for more information regarding returning back to school.
- We have had an inspirational guest speaker who delivered a session to some students to boost their resilience and motivation. Hopefully, the students will take away her valuable message.

A big well done to the following who have achieved the highest number of positives this week: Jake M, Mia P, Neha P and Caden S.

YEAR 9 – MR A READING, HEAD OF YEAR – readinga@sta.lourdesmac.org.uk

- I hope that all students and parents had a restful and enjoyable half-term break. Year 9 students have settled back into their remote learning programme, achieving over 1500 positive points this week on Class Charts.
- Please remind students to regularly check the Year 9 Pupils team throughout the week. Many resources are posted on here, as well as recognition for student achievements.

I very much look forward to welcoming Year 9 students back into school soon and a return to face-to-face teaching. As always, please email me if you have any queries or concerns.

6TH FORM – MR P FOLEY, HEAD OF KS5 – foleyp@sta.lourdesmac.org.uk

Student Support

Selected students from Year 12 & 13 have been offered the chance to work from school next week to support with their transition back. We look forward to welcoming these students back safely and hope this will help with their progress.

6th Form Taster Day

On Monday 1st March all Year 11 students and external applicants will experience a jam-packed virtual day of either sample A Level/BTEC subjects or careers support for their chosen post-16 destination. We cannot wait to hear back from students how they find these tasters and hope it supports them with consolidating which subjects they will eventually choose at Sixth Form.

Y13 Parent's Evening

Thursday 4th March 5-8pm sees our virtual parent's evening on the platform School Cloud. If you haven't managed to book your appointments yet, please do get in touch or login by visiting <https://sta.schoolcloud.co.uk/> and using the below information:

- Your full name and your child's full name and date of birth.

NOTICES

Message from Mrs Wright -On Tuesday 23rd Feb 14 Drama and Performing Arts students from years 11, 12 and 13 took part in a virtual workshop with an actor and director from Actors of Dionysus. AoD are a hugely influential group of practitioners and currently the only theatre company in the world to produce and perform modern adaptations of traditional Greek Theatre. In previous years I have run school trips to watch this group perform so it was a really treat to be able to actually work with them now. This was a superb learning opportunity for our students and they rose to the challenge, demonstrating that even though they were sat in front of a screen they could still take part in practical work. The workshop was fun and informative, every student has taken something away from it which will help them to develop further as young performers and people. It was also lovely to see them participating in something a bit different again. Soon it will be the turn of Year 10 and 11 Drama students who are due to be working virtually with two acclaimed West End Actors from the masterpiece 'Blood Brothers'. Details about this will be finalised and sent out to students soon.
