Performing Arts	Brooke M, Holly L
Psychology	Charlie D, Kian W
RE	Szymon S
Science	Noah B, Mason T, Grace S

MASON'S MISSION – Monday Workout

It is with a heavy heart that I have to say that today we have completed the final Mason's Mission. The idea came from Mr O'Connor via a text message at 6.50am (!) and subsequent phone call to discuss how we could motivate and entertain the students at break time. Fast forward 2 months and we have completed a huge amount of workouts, made some amazing snacks and cakes, completed quizzes and science experiments, folded paper into birds and generally had the best time! I would like to thank everyone who has been involved, but especially Daniel Wild, Mrs Waite, Miss Syvret, Mr Hankin and Mr Murphy for their time and effort in recording their videos. To Lauren & Dylan our Head Boy & Girl for running our Friday quiz, but mostly to Dangermouse (Laura Dangerfield and Landy (Emma Land) from ProjectYou for their time and effort in taking our Monday motivational workouts. Emma and Laura started "ProjectYou" in the first lockdown, it is a local online community with live exercise classes, live cooking, nutritional advice and lots of laughter! You can find out more information here: <https://www.fwlprojectyou.com/>

Lastly my thanks goes to all the students who took part in Mason's Mission, I couldn't have done it without you! I'm looking forward to seeing you in "real life" next week! I really don't know what I am going to do with myself at 10.55am now, but I am sure Mr O'Connor will find me something to keep me busy! Have a lovely weekend.

YEAR 11 – MR E MILL, HEAD OF YEAR – mi@sta.lourdesmac.org.uk

- We look forward to welcoming back all Y11 students for testing on Monday and then back into lessons on Wednesday - please remember school uniform on Monday
- Students should pay close attention to the PE uniform as posted in the Y11 Team. Also on this Team is a 'frequently asked questions' sheet in case any student has a concern about coming back. If this does not answer a specific question of course they can send me a message on Teams.
- There has been a rise in negative points for 'assignments not completed' on class charts. Students should check their assignments and see if they owe work.

YEAR 10 – MR N MURPHY, HEAD OF YEAR – murphyn@sta.lourdesmac.org.uk

MRS L ALLCOTT, ASSISTANT HEAD OF YEAR – allcottl@sta.lourdesmac.org.uk

- Well done on your last full week of online learning. It's the last push to make sure we are attending all live lessons and engaging with tasks set before we return.
- Excellent work from Neha P, Kathleen T and Jake M for achieving the highest number of positives this week
- Well done to students who have participated in Mason's Mission over this lockdown, especially those who made 'Rocky Road' this week
- The frequently asked questions about the testing next week have been posted on the Year 10 pupil team, if you have any other questions, please get in touch. We are looking forward to welcoming students next week!

YEAR 9 – MR A READING, HEAD OF YEAR – readinga@sta.lourdesmac.org.uk

- I am pleased to see that over 1400 positive points have been awarded on Class Charts this week. Well done to Ellie H and Charlotte M for achieving the most points so far this week.

- Please continue to visit the Y9 Pupils team for some useful resources. There are activities related to World Book Day for students to enjoy. Furthermore, I recently posted some frequently asked questions regarding our return to school next week.
- I look forward to welcoming students back into school next week. Please do not hesitate to contact me if you have any queries or concerns.

6TH FORM – MR P FOLEY, HEAD OF KS5 – foleyp@sta.lourdesmac.org.uk

Y11 Taster Day: the feedback from Monday's subject sample day was extremely positive and we are so glad that students got to experience a part of sixth form life - albeit virtually. If any students still require further information, feel free to get in touch with a member of the sixth form team.

National Careers Week: sixth form students have had a variety of opportunities and careers information provided this week via their Year group careers team. Check back in these teams for any missed posts!

Y13 Parents' Evening: last night saw our first sixth form parents evening via the platform School Cloud. the parental conversations were very well received, and students are looking forward to returning next week. If you have any concerns/queries, please contact a member of the sixth form team who will be happy to support.

NOTICES

Core PE – Mrs Humphries: humphriesl@sta.lourdesmac.org.uk

Y9 & Y10 will be playing football on the field. Please ask your child to bring in football boots and/or spare trainers so that they can change at the start of the lesson, together with shin pads to ensure safety when playing. Any problems with equipment, please contact Mrs Humphries.

VACANCIES
